To Whom It May Concern:

This letter serves to confirm that John W. Williams Inc. USDA Establishment #0151 operates under an approved HACCP program in accordance with USDA regulations. The HACCP plan has recently been reassessed in accordance with the Federal Register 4-04 (BSE).

We have letters of guarantee from our slaughterhouses that confirm the reassessment of their plans in compliance with Notice 4-04 (BSE). Specifically all veal is from cattle younger than 30 months of age. All specific risk materials are properly removed and monitored.

Should you have any questions please contact me.

Sincerely,
John W. Williams, Inc.
